TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world."

This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller cuppler and platform, and the Westinghouse air brake.

It is positively the only line running Pullman Palace Drawing-Room sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

"The St. Louis & Southeastern"

is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to C. S. BARRETT, Southern Passenger Agent, Postoffice Box 243, Chattanooga, Tenn., or to the undersigned.

W. B. DAVENPORT,

General Ticket Agent, St. Louis.

We return our thanks to our customers and friends for their kind favors and liberal patronage extended our new enterprise, and are determined not to be outdone in prices and quality of goods. CHANGE OF SCHEDULE.

THE FOLLOWING SCHEDULE WILL

go into effect at 4:30 A. M., Sunday,

12th inst.

DAY EXPRESS TRAIN. (Daily.)

We stated a few days ago that we believed Judge Davis, of New York, was a Democrat. Since then we are informed that we were mistaken, and that he is an uncompromising Republican.

We are no advocate of snap judgments or any species of class legislation. We have therefore always claimed that the system of cumulative suffrage, forced upon this city by the democrats, when it was not done in any other city in the State, was a plain, palpable fraud and, we believed, illegal because it makes a discrimination in the manner of voting in different cities. Our people are at this time somewhat agitated over another move which has just come to light—the new bill amending the city charter. The objections to this bill, are mainly because of the unseemly haste in which it was rushed through the General Assembly for some reason unknown to the public at large. As to the bill itself, we have no very particular objections. Mr. Canaday was our choice for Mayor, and he is in our opinion, a good one. We should be happy to have him hold the position for many more terms, and anything we could do for him would be cheerfully done, but we do not admire class legislation. Of course our opponents gain something, we do not know what, or they would not have exhibited such wonderful alacrity to aid the city of Wilmington at this time. Time only will determine their plans. In the meantime, with a democratic Legislature and uneasy politicians of the same faith in our midst, we do not know what dangerous form their malady may have taken and we are glad it is no worse.

Public meetings, speeches or threats are out of place and can do no good.—The act is now the law of the land and must remain so. In the meantime, as it is not much of a shower, we see no reason to denounce the provisions of the bill, though we do not favor the rule suspension business on so important a matter.

**Consolidation.**  
The project of Railroad consolidation is one which has already been discussed in the Post. If the condition of North Carolina was less exceptional, the scheme at present before the Legislature would have our hearty approval. But the difficulties are too great to hazard the interest the State holds in the Central road, upon the success of the scheme.

The State of Virginia has completed her iron thoroughfare to the great Eastern tributary of the Mississippi, and to-day the last due interest on the bonds is unpaid. The financial obstacles in the way of the Virginia Railway were trifling compared to what ours will be to carry the line of the Western North Carolina Railroad to Tennessee. A broker putting North Carolina bonds upon the market would be laughed at. The unpaid interest on our ante-bellum debt is enough of itself to destroy the credit of the State; but when is super-added the condition of all the bonds issued since 1868 and their legal complexion, the money lenders would as soon handle fire as North Carolina Bonds.

We cannot borrow money at cent per cent. The fourth session of a Democratic Legislature is being held, and no steps have ever been taken to satisfy the holders of bonds issued before the war,—a debt which is incontestably honest—of our good intentions in regard to their claims; had this been done our credit might have been better; but we have none.

But it is proposed to mortgage the North Carolina Central Road, and raise money upon it to complete the road to Tennessee; and the State will not be called on to issue any bonds for the enterprise. We do not see that this will be a change for the better to any great extent. The principal question is how much will the State be affected by the consolidation. With the information and experience of the past five years, we are of the opinion that the Legislature would do wisely to dispose of the existing financial questions, than add to the complications which beset the State by mortgaging its most valuable property.

Says the Danbury Reporter: "Sheriff Gentry was tried and acquitted at Forsythe Court last week, for the escape of Mr. McGill, from his custody, at last Spring term of Stokes Court."

## GENERAL ASSEMBLY.

(Condensed from the Raleigh News.)

By Mr. Eppes: A resolution requesting our Senators and Representatives to use their influence to secure the passage of the Summer Civil Rights bill. Lies over under the rules.

## Unfinished Business.

The consideration of the bill for the consolidation of the Western North Carolina Railroad with the North Carolina Railroad, came up as the unfinished business of the day at 12 o'clock.

An amendment immaterial to the bill, offered by Mr. Morehead, of Guilford, as a substitute to the amendment offered by Mr. Morehead, of Rockingham, yesterday, was adopted.

On motion of Mr. Waring, the amendment offered by him and adopted yesterday, was reconsidered, and a substitute, providing that Hon. William A. Graham, Hon. Z. B. Vance, and Hon. Tod R. Caldwell be appointed Commissioners on the part of the State to see to the State's interest in the handling of its bonds by the Directors.

Mr. Humphrey thought the amendment an unusual and extraordinary act, and a direct attack upon the Directors, and offered the following amendment as a substitute for Mr. Waring's amendment: That any director or officer of the said North Carolina Railroad Company, or other person entrusted with any of the bonds, certificates of indebtedness, or other funds of the Company, who shall be guilty of any wrongful appropriation, misapplication, malfeasance, or other corrupt use of the same, with intent to benefit himself and to defraud the Company, shall be guilty of a felony, and upon conviction thereof before any Superior Court of the State, shall be punished by a fine not exceeding ten thousand dollars, and by imprisonment in the Penitentiary not less than two and not more than ten years, or both, at the discretion of the court.

The amendment, after considerable discussion, participated in by Messrs. Humphrey, Waring, Welch, Love, Norwood, Morehead of Rockingham, Avera and Seymour, was adopted.

Mr. Norwood offered an amendment, providing that the new charter would not allow the Railroad Company banking powers and privileges, which was adopted.

The amendment of Mr. Flemming, providing that no change of gauge shall be made in the North Carolina Railroad until the completion of the Western North Carolina Railroad to Paint Rock on the Tennessee line, occasioned a lengthy discussion, but was finally adopted.

Mr. Worth offered an amendment that if work was not commenced in one year on the North Carolina Road and the Western Road was not completed to Paint Rock in five years, the charter should be null and void.

Pending the discussion on the amendments the Senate adjourned.

## HOUSE OF REPRESENTATIVES.

At 11 Mr. Speaker Robinson called the House to order.

Mr. Carson arose to a question of privilege in regard to a statement in yesterday's *Sentinel*, concerning his going in to the Conservative Caucus last week and voting for the *Daily News* to have the public printing. He denounced as false the assertion, that in so doing he had deceived his constituents.

By Mr. Brown, of Davidson, a resolution of instruction to the Finance Committee. Calendar.

By Mr. Gudger, a resolution instructing the Governor to withdraw the appeal to the United States Supreme Court in regard to the suit in relation to the Western North Carolina Railroad. Referred.

By Mr. Paschall, a bill to provide for the keeping up of the public highways. Referred.

By Mr. Reid of Randolph, a bill to change the time of holding Superior Courts in Randolph and Rockingham counties. Referred.

By Mr. Costner, a bill for the relief of landholders. Referred.

By Bunn, a bill to make it a misdemeanor for County Commissioners or Sheriffs to discriminate in drawing and summoning jurors on account of color, &c., Referred.

By Mr. Godfrey, a bill to increase the salary of the Judge of the first Judicial District of North Carolina. Referred. A message was received from the Sen

ate transmitting a resolution adjourning sine die on the 22nd inst., and asking concurrence in the same.

Mr. Houston moved to concur.  
By Mr. Bryant of Pitt, to amend by striking out "and" and to insert "15th," which was adopted by a vote of yeas 66, nays 36.

The question then recurred upon the resolution as amended.

Mr. Ellison moved to lay it on the table. Lost.

The resolution was then adopted by a vote of yeas 66, nays 12, and ordered to be returned to the Senate for concurrence in the amendment.

On motion of Mr. Bennett, the Senate bill to cede to the United States a part of a lot in the city of Raleigh, for the purpose of erecting a government building thereon, was taken up, amended and passed its several readings.

## Special Order.

The bill in relation to usury, no more than six per centum to be taken, came up as the special order. The bill was read, when Mr. Waugh offered a bill re-enacting chapter 114, Revised Code, entitled "Usury," as a substitute, accompanied by a proviso that any person may for the loan of money, but on no other account, take interest at a rate so great as 8 per cent.

Mr. Moring moved to indefinitely postpone the whole matter. Adopted.

The bill to incorporate the North Carolina Immigration Society, was taken up and passed its several readings.

The bill to provide for the transportation of released convicts from the Penitentiary to their former homes, was taken up, and on motion of Mr. Moring, was laid upon the table.

By Mr. Reid, of Mecklenburg, a resolution inviting Hon. W. A. Graham to deliver an address before the General Assembly, during the present session, on the subject of the Mecklenburg Declaration of Independence.

On motion of Mr. Reid, the rules were suspended, and the resolution was taken up.

The resolution was adopted.  
On motion of Mr. Wiley, the bill for the relief of Sheriffs and Tax Collectors was taken up and passed its several readings.

The bill to amend Title 4, C. C. P., was taken up, a substitute reported by the Judiciary Committee adopted, and the bill passed its several readings.

The bill in regard to vacant lands was taken up, and on motion of Mr. Joyner, was laid on the table.

Adjourned.

Hog killing is now in vogue in the different sections of the State.

PROSPECTUS.  
THE  
EVENING POST.

Published every evening, except Sun-  
day, at  
Five Dollars per Annum.

The Post is designed to reach all  
classes of citizens, and its subscription  
price is therefore placed so low as to be  
within the reach of all. It contains the

Latest News,  
up to the time of going to press,  
TELEGRAPHIC,  
BY MAIL,  
COMMERCIAL  
AND LOCAL.

It should be in the hands of every man  
who desires to know what has  
transpired during the day,  
and, as it aims to give

RELIABLE INTELLIGENCE,  
its publisher hopes it will prove a wel-  
come guest in many families.

THE POST  
is sprightly without being sensational,  
and it carefully excludes all objectionable  
incidents and reports calculated to of-  
fend the sensibilities of the most fastid-  
ious. As an

Advertising Medium  
it claims to be first class. It has a good  
and constantly increasing cir-  
culation, and is read by almost  
every business man  
in the city.  
Politically the Post is

UNSWEARINGLY REPUBLICAN.  
Its editor having been a consistent mem-  
ber of that party since 1855, through  
its vicissitudes and triumphs, he claims  
to speak advisedly when advocating its  
principles. He is not, however, an "ex-  
tremist," and accords to others what he  
claims for himself, the right of free  
thought and of free speech.

THE ADVERTISING RATES of  
the Post, like its subscription price, are  
at liberal and at living prices, as an ex-  
amination of them will show, and it  
bespeaks a share of public patronage.

THE EVENING POST  
is closely identified with the local wel-  
fare of the Cape Fear region, and the  
believers in progress, whether

EDUCATIONAL,  
AGRICULTURAL,  
MECHANICAL, or  
COMMERCIAL,

will find an enthusiastic ally in THE  
Post.

THE POST  
is opposed to monopolies, but in favor  
of internal improvements, and a firm  
believer in the patronage and support  
of home enterprises and institutions.
